Love,
Although all of the
times we spent together
weren't the best like at
manabans when we got a
little bit of after school time to
help make up for one day. But we did
have many other school. The first great party
during and school. The first great party
where you could see all the great party
only hope we always have good times I can do
Good lunch in the future at while everyone

Mic,

Remember all the "GREAT" fishing trips we
made to the mighty mongaup. There are
fish in the mongaup so sometime this
summer we will catch fish up there.
My father says I must show you how
to catch a trout out of the mongaup.
Remember the time we played tennis
Hunter got "blitzed" on a quart!
Of course, he "needed it", you
do go to the mongaup again
don't decide to go swimming
this time! Best of luck
in the future, may life
treat you like a King!

*Like the colors of the spectrum, our goals, hopes, and dreams
seem so different at first, but are really quite alike.*

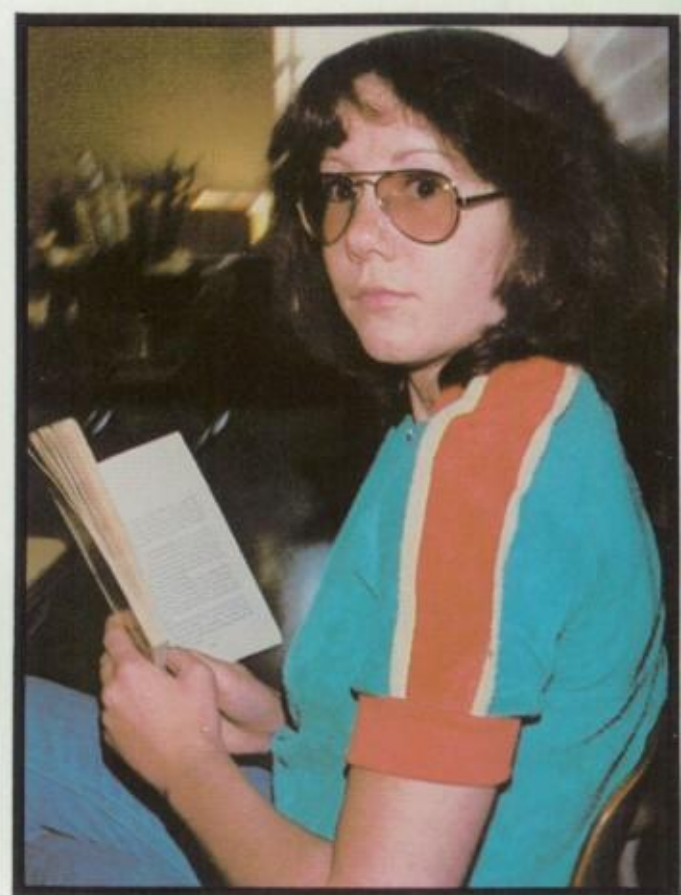

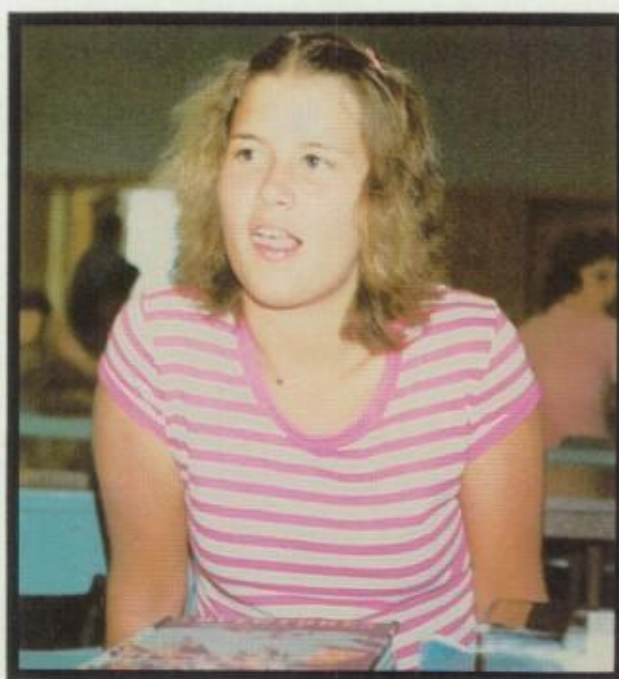

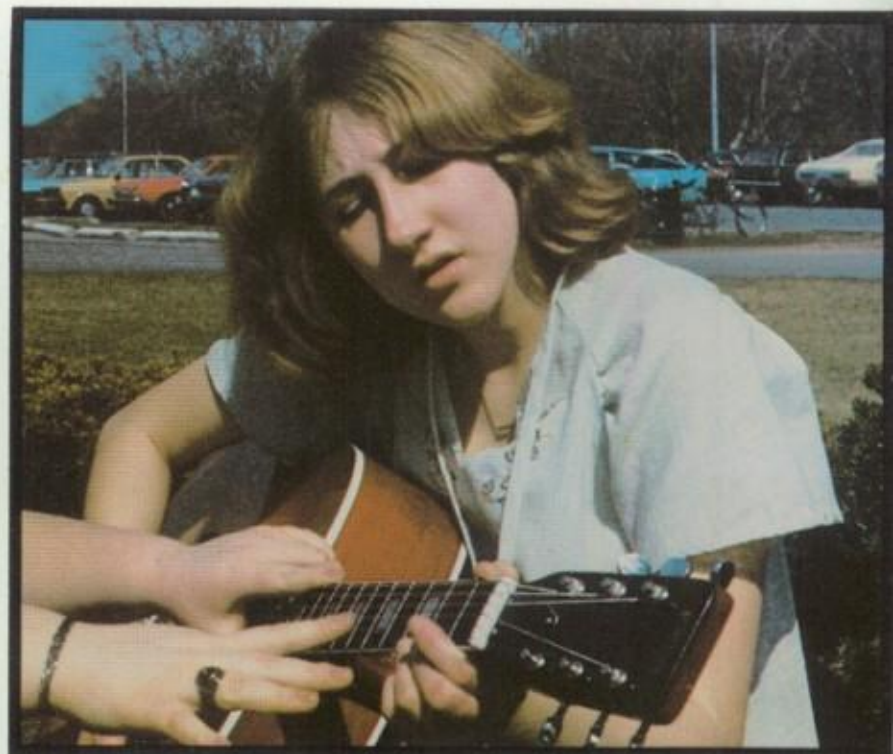

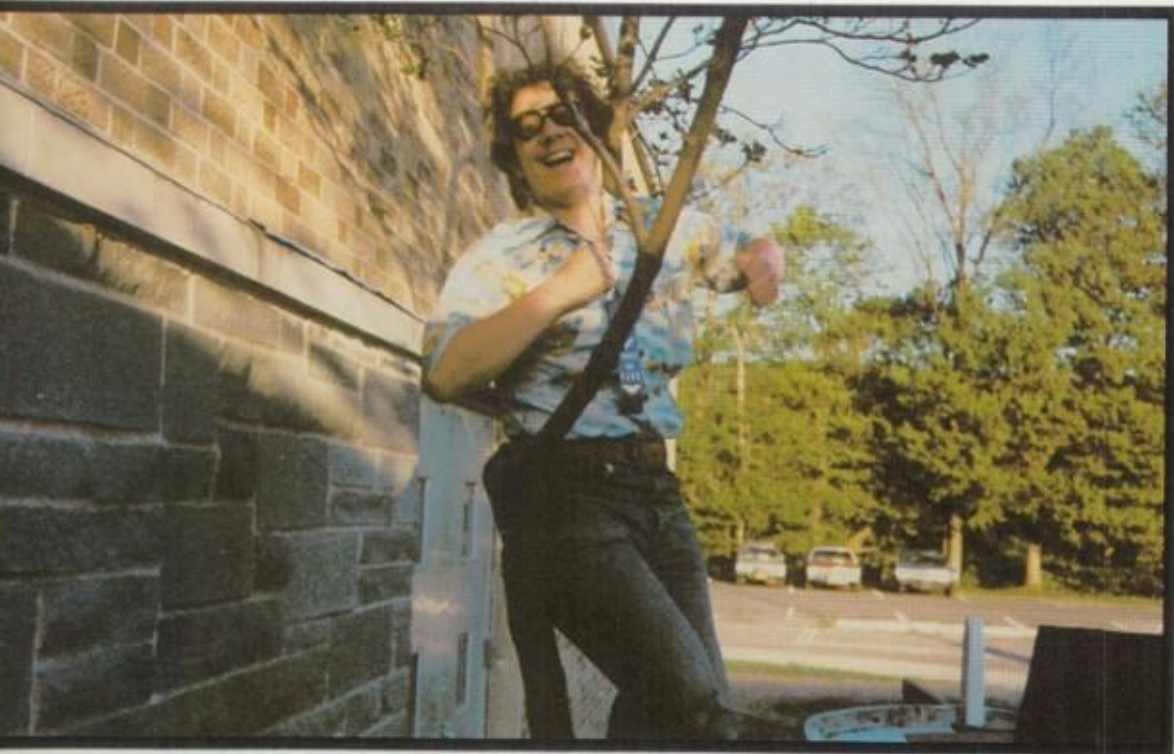

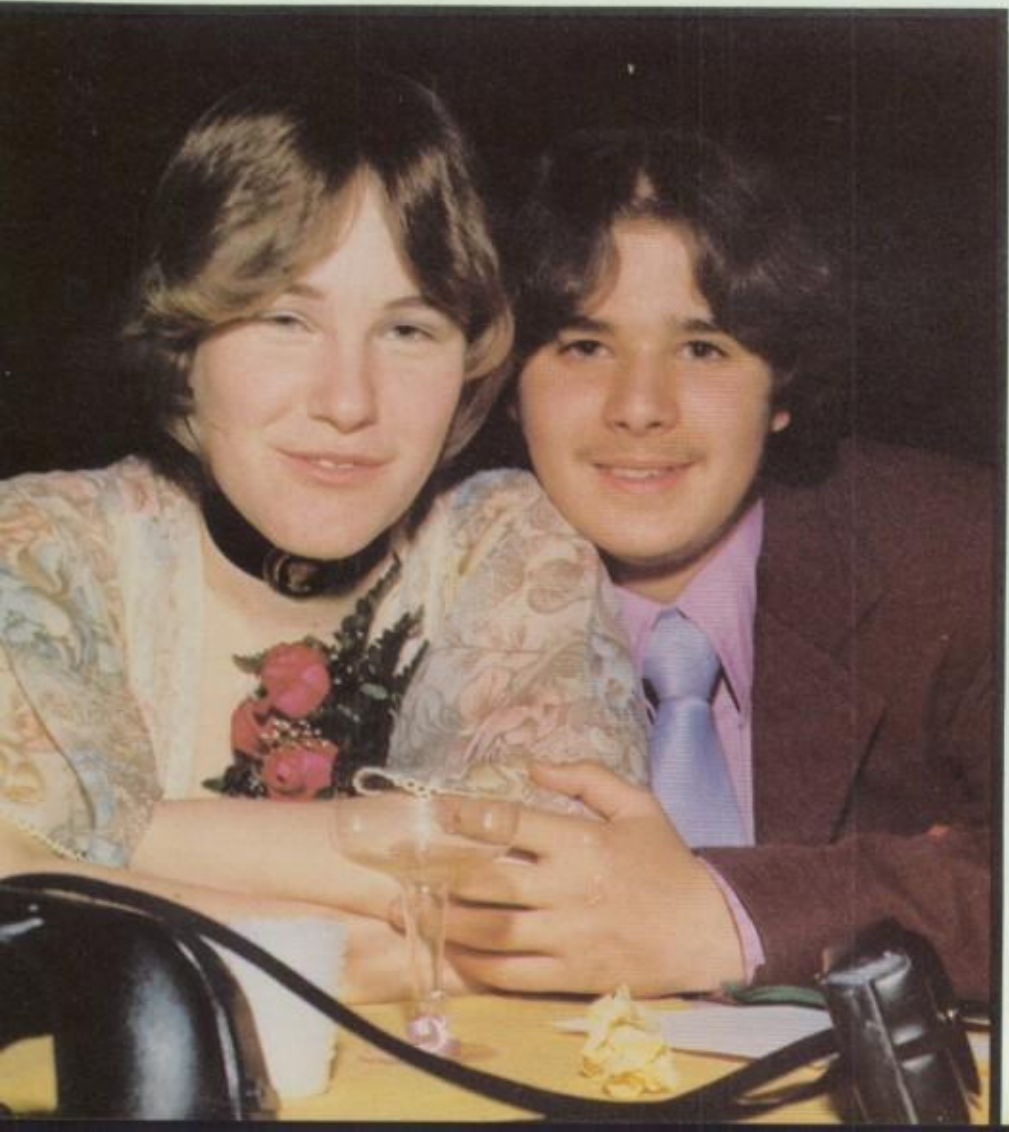

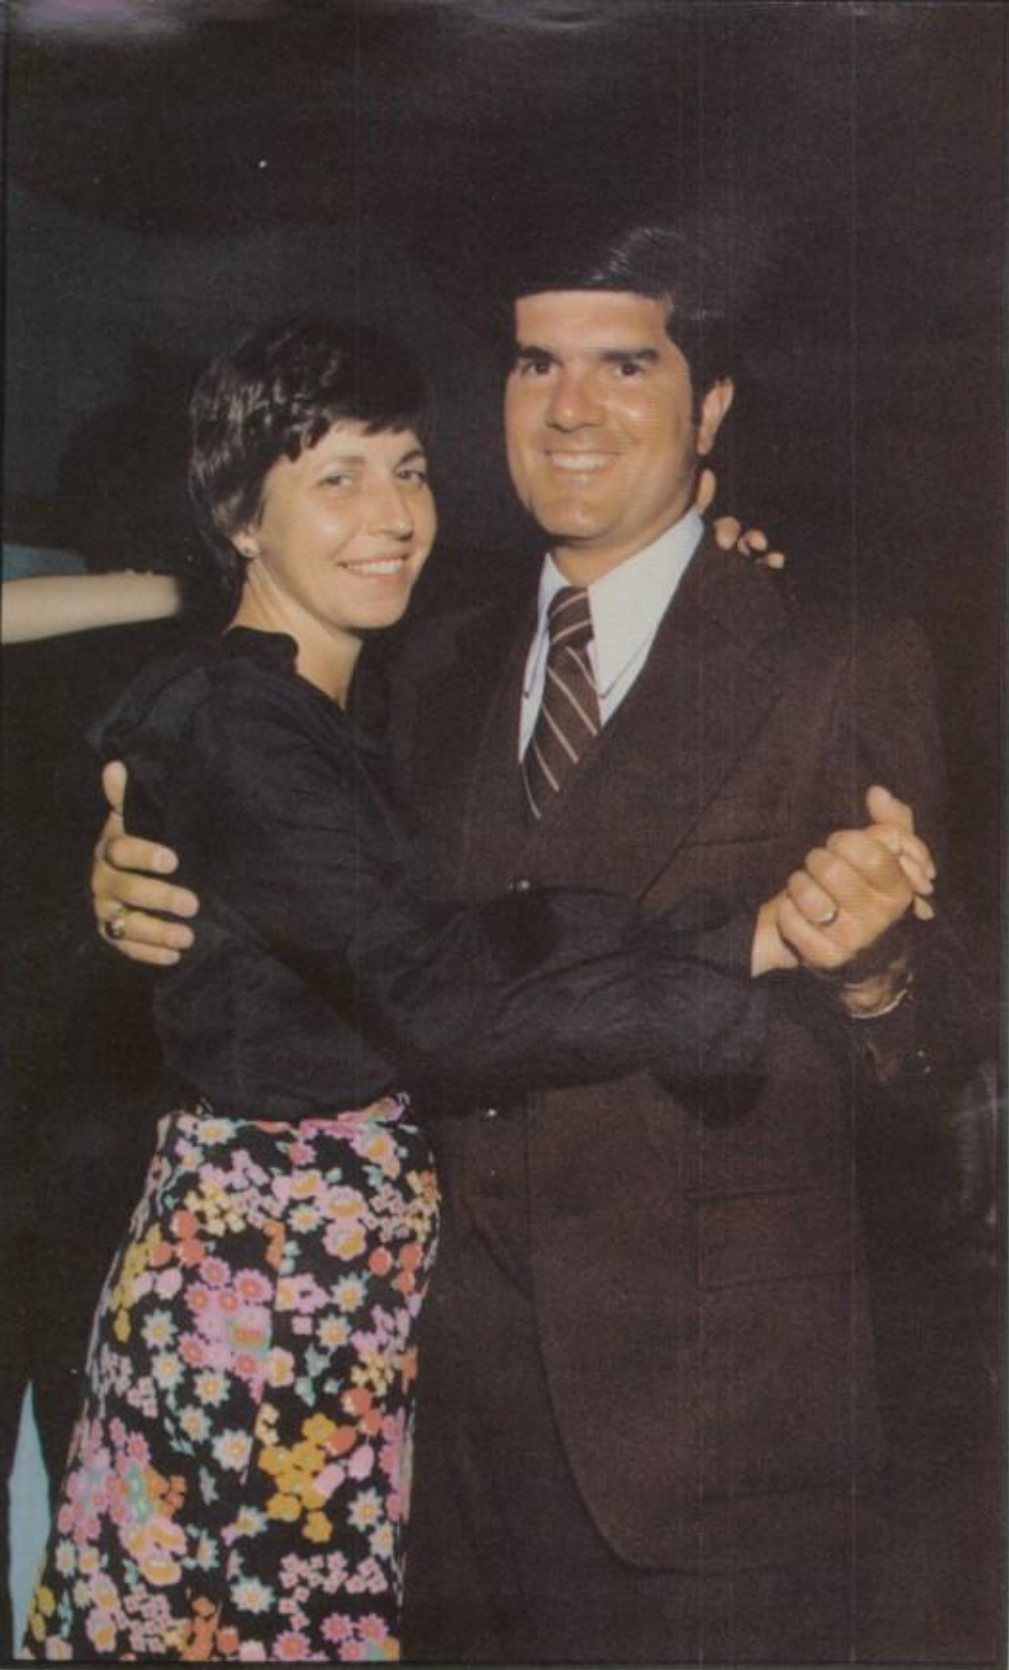

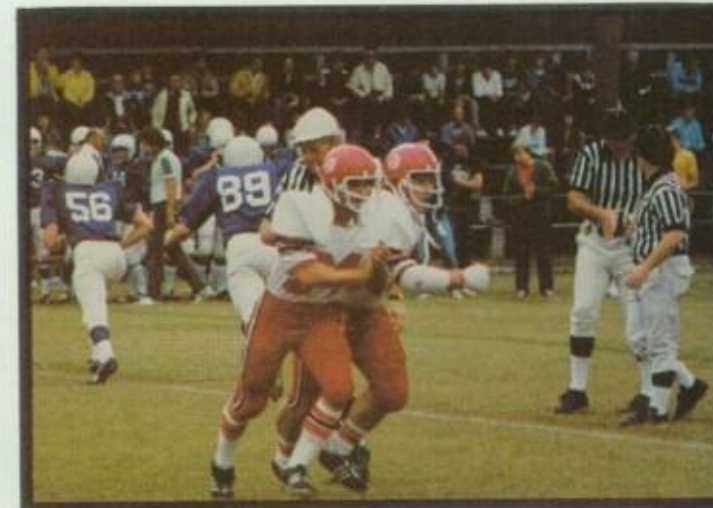

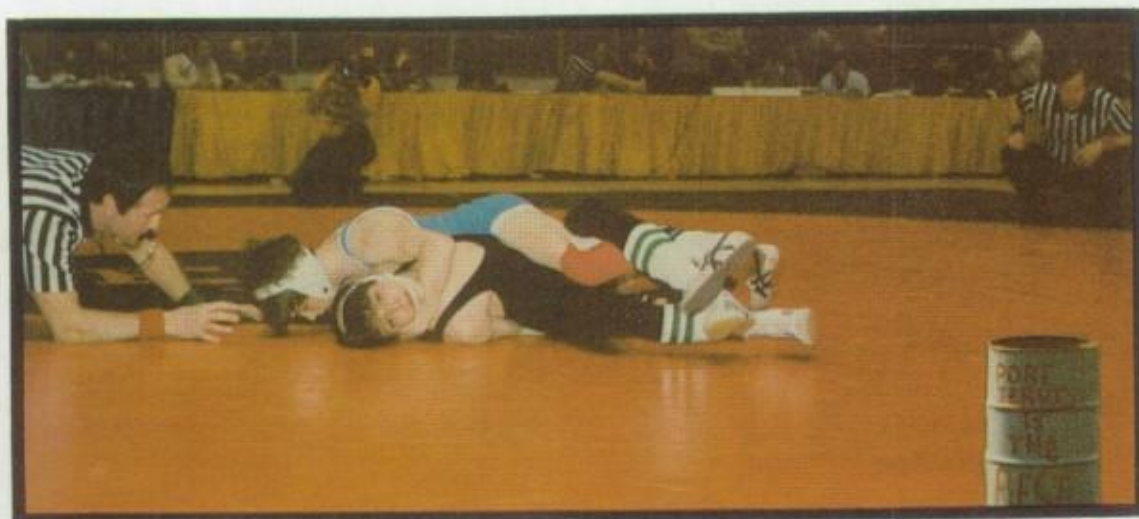

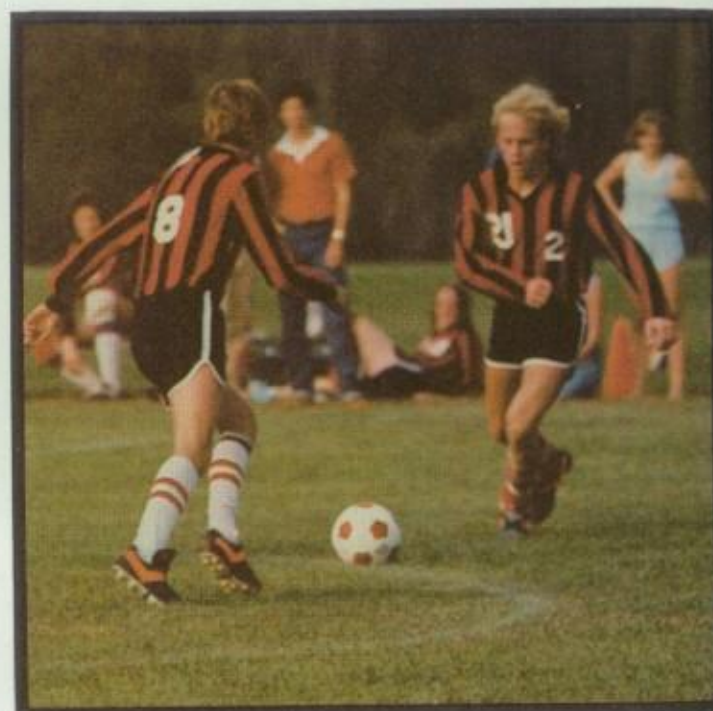

We worked together, played together . . .

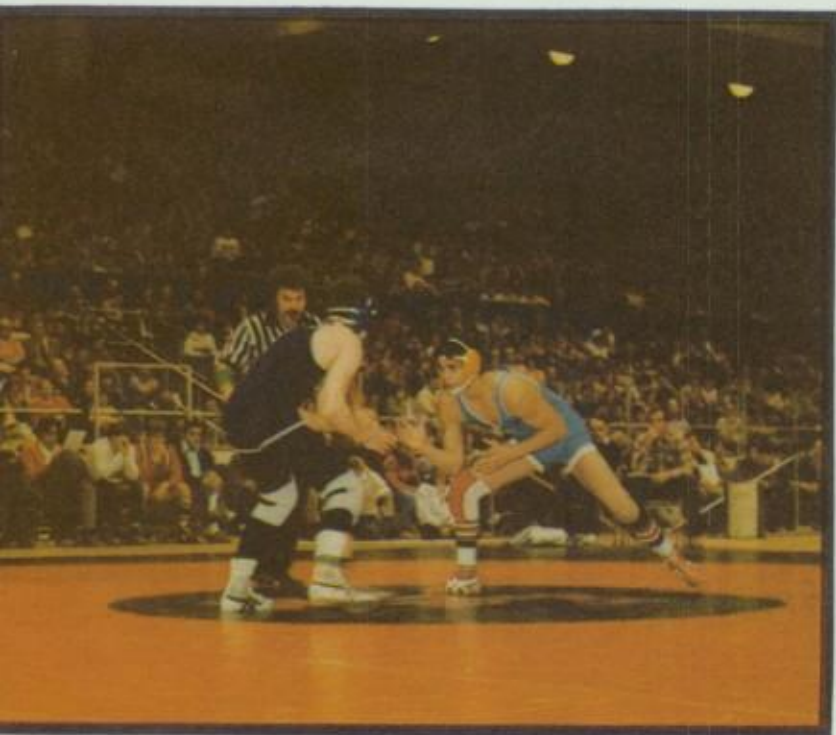

*... shared elation, grief and boredom
day in and day out.*

*Just as our colors seem to blend to form a unifying whiteness,
soon they will again diverge . . .*

. . . when all of us choose our colors and go our separate ways.

From camp to the last game of the season, a coach couldn't ask for a greater effort. Napoleon said it best: "Morale is three to the physical one." Therein lies the story of the 1978 varsity football team, small in physical stature, but big on heart.

Several very important accomplishments included the victory over Middletown in the 100th game of the series thereby keeping the coveted trophy, the bell. We were awarded the Mayor's trophy and also led the league in offensive scoring with 225 points in 9 games, giving us a 25-point average per game. We were second in defense, giving up 62 points, an average of 6.8 per game. These accomplishments were fantastic when a person realizes that our offensive and defensive lines averaged less than 165 pounds and our backfield averaged less than 155 pounds.

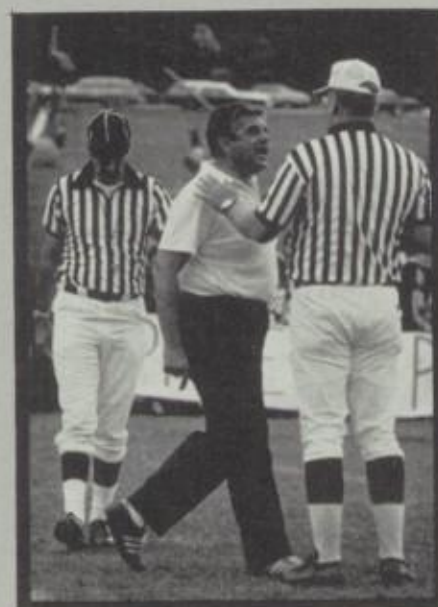

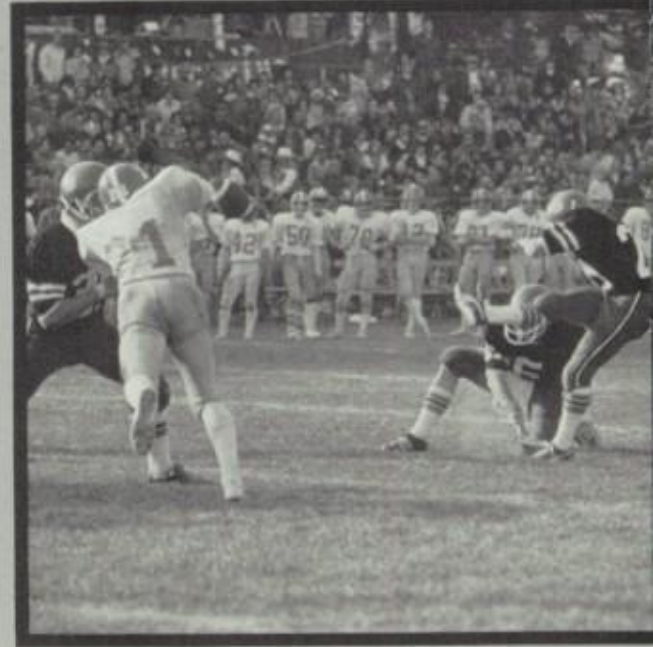

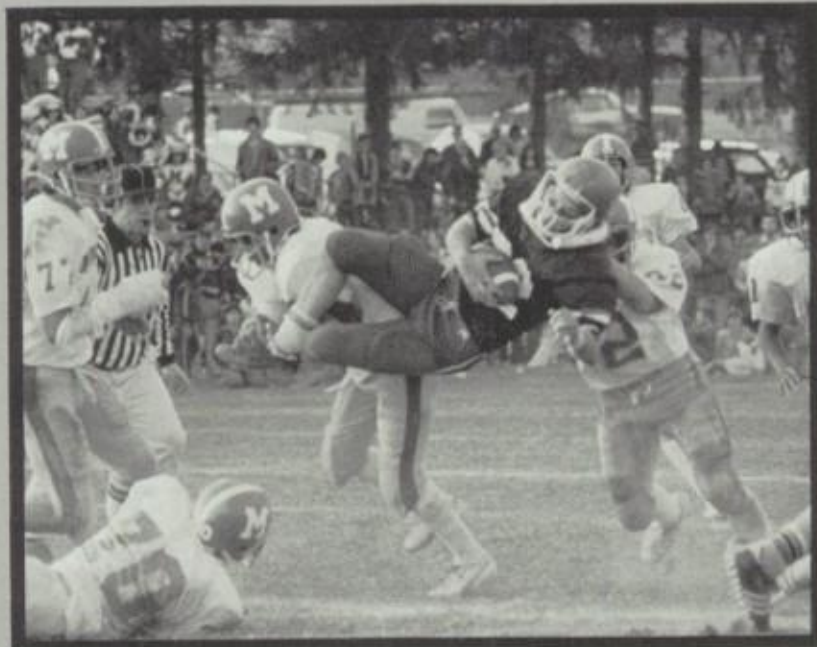

We have nothing but praise for our team and I'm sure that their desire and enthusiasm will carry over to next year.

Our jayvee and freshman teams both enjoyed excellent seasons. (You can't get better than undefeated) Our varsity will certainly benefit from the wealth of material that were found at these levels of our program.

Girls Varsity Basketball

This year's girls varsity team took on a new look. The Raiders opened the season with new uniforms, a new coach and ten newcomers to the varsity. Highlighting the season were a second-place finish in the Sussex County Coaches Tournament and an upset victory over Valley Central, which broke their twenty game winning streak. With the development of the over all program, the future looks bright for girls basketball.

Volleyball

Skiing

The Varsity Ski Team was put back into the athletic program this year. The team had six returning skiers from the 1977 team who provided the one-two punch to knock off the defending state champs, Monticello, in the first race. Mitch Babey, Sandy Fields, Kathy Mickel, and Mary Lou Bayer were among the top finishers of most races. The remainder of the team was composed of many up-and-coming skiers that should provide us with a strong returning team. The girls' team finished second over all in the OCL Northern Division behind Monticello.

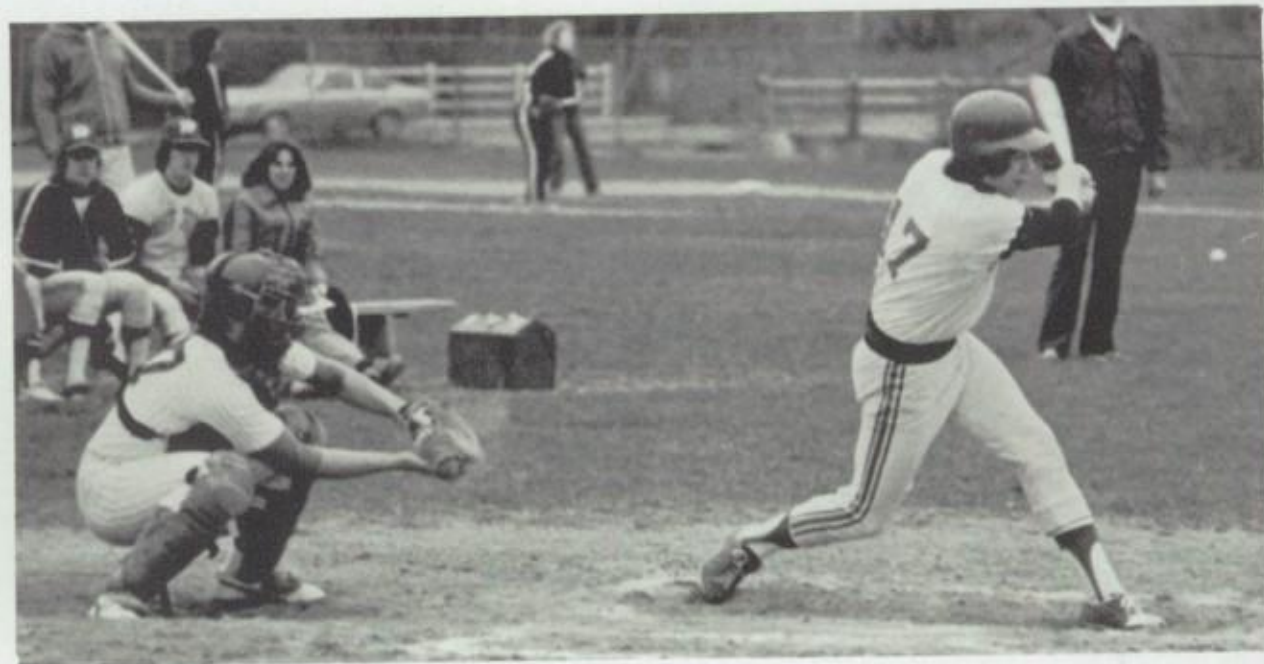

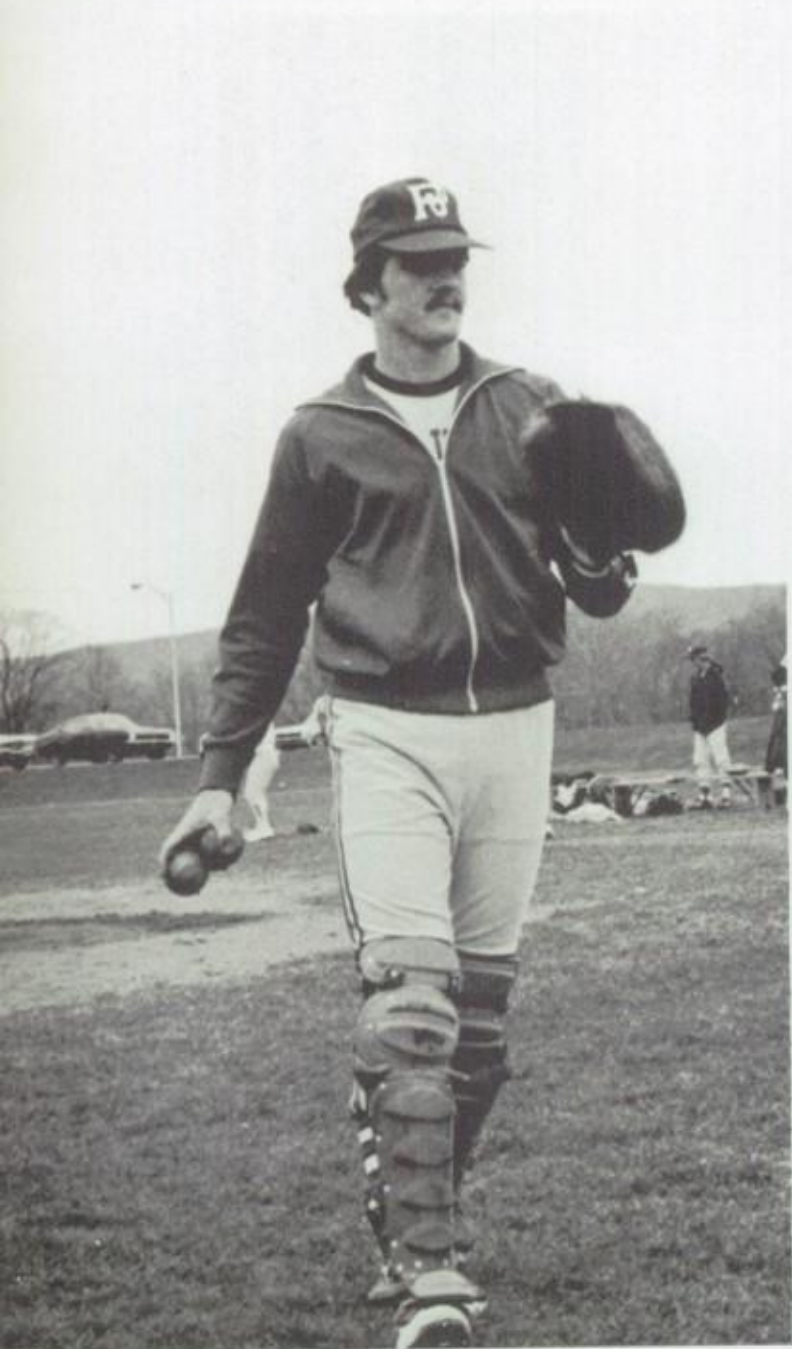

Coach Hubbard hopes that there will be a large turnout for next year's team. Skiing is one of the few sports which you can enjoy for life.

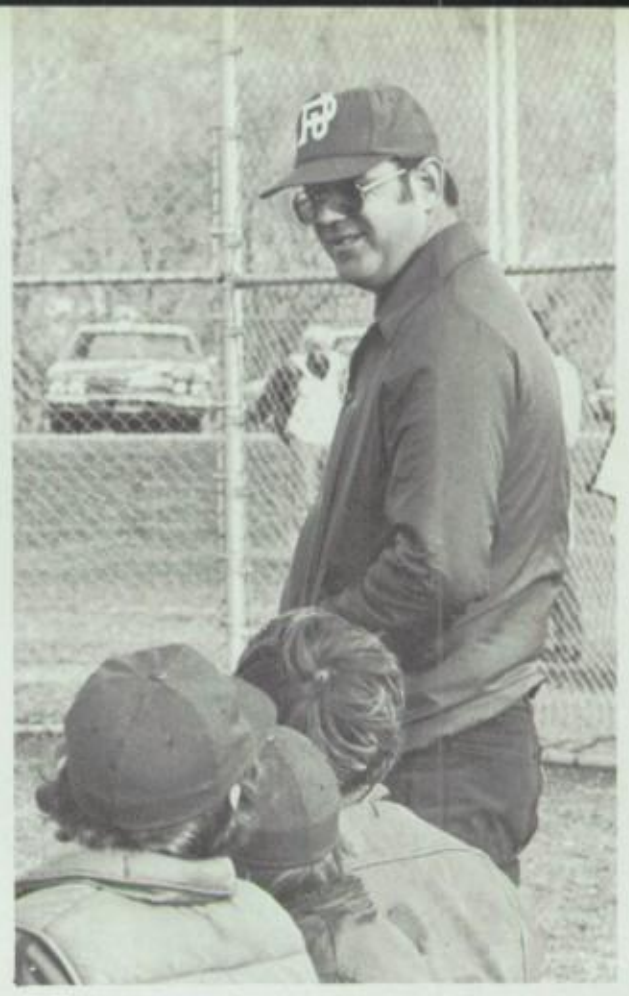

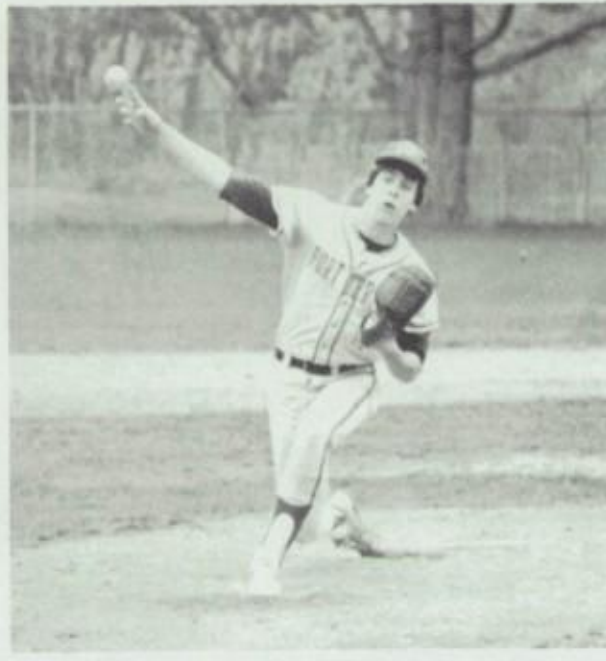

Row 1: S. Babey, D. Massett, M. Bayer, L. Levin, C. Hellings, I. Peill, M. Levy, P. Levy. **Row 2:** K. Roby, S. Fields, K. Mickel, J. Levin, Mr. Hubbard, S. Kayton, M. Babey, J. Horvath, L. Zitone.

The 1979 yearbook staff would like to extend its thanks to Mr. Proulx and Mr. Mickel for their dedication and endless hours of work. Their assistance, knowledge, and concern aided the staff in producing a yearbook we can all be proud of.

Compliments Of The Booster Club

Michele

There are some people who always help,
Who give so much for everyone else.
You were one like this.
Your childish smile helped us along:
What to do since now you're gone?
A tap on the shoulder you'd always do
To make everyone happy too.
No one is like you or ever will be,
So, little Michele, we'll always see.

Now you can see what we can't see,
But we know that you are now free.
After the laughs, the games, the fun,
You, Michele, will not be forgotten.

So many tears we've shed for you,
Oh, Michele, we love you;
You know we do.

A faded background image of a construction site. In the foreground, a backhoe loader is positioned on a pile of dirt, with its bucket raised. A person is visible in the operator's cab. Behind the machine is a long, multi-tiered stone retaining wall under construction. In the background, there are trees and some residential buildings on a hillside.

Thank You

We would like to dedicate the 1979 edition of the Port Jervis High School Yearbook to Mrs. Kathryn Simmons, in appreciation for the support she has given the students of the Port Jervis School system during the past fifteen years. As president of the school board, her wisdom and guidance contributed immensely to the welfare of the students of our school system. We hope by the time our book is published, she will again be on the school board.

Thank you, Mrs. Simmons

Dave,
Hope your 4 years
are over with in this
dump. Good Luck in the future
years out of school. Don't party
too much.

John Brunnan
